IFMA's

Facility Management Professional Credential
Program

VANIER
CÉGEP / COLLEGE

IFMA's **Facility Management Professional (FMP)** credential is an assessment-based certificate program demonstrating a proven comprehension of the foundations of facility management.

In September 2010, the FMP credential was updated and enhanced to align with the most recent IFMA global job task analysis, ensuring that it teaches and tests the knowledge demanded by today's global employers including:

- Operations and Maintenance
- Project Management
- Finance and Business Essentials
- Leadership and Strategy Essentials

Who should pursue the FMP credential?

- Early to mid-career facility management practitioners seeking enhanced knowledge and skills.
- Individuals who are transitioning into an FM career.
- Partner practitioners such as architects, designers and safety engineers.
- Associated corporate providers of FM products and services.
- Students entering the profession from colleges, universities, certificate or technical programs.

TOP 5 reasons to earn your FMP credential

- 1 The enhanced and updated course curriculum required to achieve IFMA's Facility Management Professional (FMP) credential will prepare you for the unique challenges of the profession, focusing on competencies essential to an FM's day-to-day responsibilities.
- 2 **Start your career in the right direction.** Facility management is a constantly evolving profession. A commitment to continuing education and professional development ensures an up-to-date skill set throughout your career.
- 3 **Prepare for the Certified Facility Manager® (CFM®) Exam.** FMPs who continue their professional growth have a greater chance of successfully completing the CFM Exam and joining the elite circle of Certified Facility Managers.

- 4 **Set yourself apart from the competition.** Whether you are applying for a position or promotion in the field, or if you plan to do business with an FM, having the letters "FMP" after your name demonstrates your professional knowledge.
- 5 **Establish your professional network.** Enjoy opportunities to meet and network with expert instructors and peers during live FMP courses. Take advantage of special FMP events at local, national and international events.
